Metalling the road in the Kalasa village

From

The Deputy Commissioner
Kadur Dt.

Letter No 252 Dated 20th Sept 1906

An Estimate for Rs 391 for metalling 3 furlongs of the Kolagehal Kalasa road in the Kalasa village was submitted for Sanction by the Deputy Commissioner - Thereupon he was asked to report whether such a charge was at any time before paid out of the temple funds. In reply he now states that the road in question

being used for the heavy car during the festivities, special provisions have been made in the present Estimate for metalling up the full width of the portion on which the car runs to prevent the sinking of its heavy wheels & to afford an easy passage for it. He further reports that it has been ascertained from the Ex: Engineer of the Kadur Dn that no allotment is now available for the purpose of this estimate as this bit was restored in 1902-03. He therefore requests that the cost of the estimate viz Rs 391 may be sanctioned out of the temple funds as the work is to be undertaken purely for the use of the temple car.

From the Dy Comrs report it is clear that no such expenditure seems to have been till now borne by the temple".

Strictly speaking, this is a work which has to be done by the P.W.D. Still, as the cost is to be met by the Temple Cess has to cover the road in question, it is perhaps desirable to get the road well done out of Temple funds as it is a special case in the present instance. The estimate may be sanctioned —

Maybe sanctioned as a special case. There seem to be a disposition to saddle the Temple funds with all manner of charges!

Sir,

In forwarding herewith the Kannada papers ending with the Mudigere Taluk Amildar's report number camp 7 dated 4th Instant regarding the estimate for Rs 391/- for metalling 3 furlongs of the Continuation of Kotigehar - Kalasa road in the Kalasa village between the Sri Kalaseswara Swamy's temple approach and the chapel near the Government dispensary proposed to be carried out, I have the honor to solicit sanction to the estimate referred to as it has been reported by the Amildar and the D P W authorities as absolutely necessary. I have also visited the place during my tour of inspection on Jamabandy work, and I strongly recommend its sanction

2. The road has already got heavy and impossible of heavy traffic after the couple of showers that fell there recently.

3. The amount may be met from the amount of large savings available at the credit of the Kalasa temple in question.

Dated, Chikmagalur, 20th September 1906.

Sir,

With reference to your docket No. 4459 of the 29th May 1905, enquiring whether the up-keep of the 3 furlongs of the Kalsa-Kotegehar road was ever met from the temple funds, I have the honor to state that no such expenditure seems to have been till now borne by the temple.

2. The portion of the road in question running within Kalsa village being the one used for the heavy car during the festivities of the place, special provisions

have been made in the present estimate for metalling up the full width of the portion on which the car runs to prevent the sinking of its heavy wheels and to afford an easy passage for it.

3. It has been ascertained from the Executive Engineer of the Kadur Division that no allotment is now available for the purpose of this estimate as this bit was restored in 1902-03.

4. I beg therefore that the cost of the estimate, viz, Rs 391, may be sanctioned out of the temple funds as the work is to be undertaken purely for the use of the temple car.

5. The records bearing on the subject are retransmitted with the estimate and the report accompanying the same in original.

Sir,

With reference to your letter No.3518 of the 18th instant enquiring of the necessity for providing higher percentage of 17½ on account of establishment charges in the supplemental estimate of Rs. 70 for metalling the Kotigehar-Kalasa Road near the Kalasa Temple instead of 10 per cent as usual, I have the honor to inform you that the provision made in the above esti-mate is a mistake and necessary correction has now been made which has reduced the estimate to Rs. 41. This estimate (here-with returned) may be obligingly sanctioned.
